

Werkstückträger-Innenführung WT2, L=150 mm, ESD, Edelstahl - Bosch Rexroth 0842601001

Item no. BRR-0842601001

Manufacturer Bosch Rexroth

Inner guide for WT2 workpiece pallets in the TS 2plus transfer system, with a length of 150 mm. Made of stainless steel and ESD-capable, it provides lateral guidance and accurate transfer of the pallets. For installation on ST 2/... conveyor sections or BS 2/... belt sections.

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

Weight **0.0099 kg**

Zolltarifnummer **84313900**

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The WT2 workpiece pallet inner guide is a guiding component for the Bosch Rexroth TS 2plus transfer system. It guides WT2 size workpiece pallets reliably along the section and supports accurate positioning and orientation within the material flow. Intended for users in automated assembly and transfer operations.

- ESD-capable for handling electrostatically sensitive components
- Stainless steel for high durability
- Repeatable guidance of the workpiece pallets
- Includes fastening material, ready to install on ST 2/... and BS 2/...

TECHNICAL DATA

ESD	yes
Material	Steel, stainless
Repetition accuracy	±0.5 mm
Length (L)	150 mm

Delivery condition	Not assembled
Scope of delivery	Including fastening material for installation on the ST 2/... conveyor section or BS 2/... belt section
Required accessories	Stop gate VE 2/...
Weight	0.138 kg
