

Spreizmutter M5, Nut 10, PA - Bosch Rexroth 3842554776

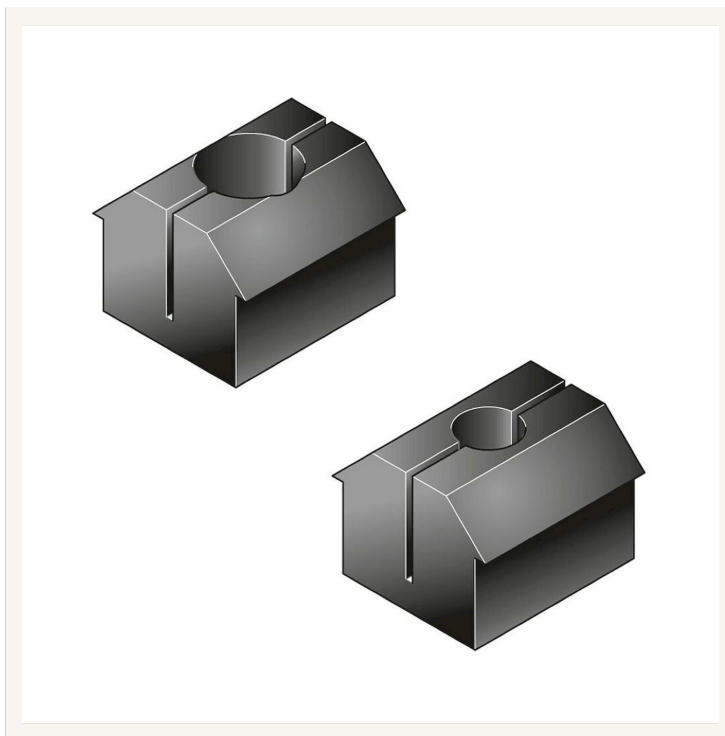

Item no. BRR-3842554776

Manufacturer Bosch Rexroth

The M5 expander nut made of PA slides into the slot 10 of aluminum profiles and expands when a countersunk screw is tightened. This creates a load-bearing threaded connection point that can be added after assembly.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Italy
Weight	0.00098 kg
Zolltarifnummer	39269097

DESCRIPTION

The M5 expander nut from Bosch Rexroth adds a threaded fastening point to aluminum profiles with slot 10. It is inserted into the profile slot and expands as a countersunk screw is tightened, forming a load-bearing screw connection. Suitable for building and extending profile structures in assembly technology.

- Can be fitted after assembly without dismantling the profile
- Positive-fit hold inside profile slot 10
- Plastic version made of PA, electrically insulating and corrosion-free

TECHNICAL DATA

Profile slot	10
Thread size	M5
Material	PA
Color	Signal gray (similar to RAL 7004)
Required accessories	Countersunk screw
Packaging unit	100 pcs
Weight	0.00098 kg
