Zolltarifnummer	83024900

DESCRIPTION

The Bosch Rexroth foundation bracket 210x90x42x4 anchors aluminum profiles with slot 10 firmly to the floor or foundation. It provides a stable base connection for frames and structures built from the strut profile system.

- Angled shape for a positive, load-bearing floor anchorage
- Sheet steel, galvanized and transparent chromated, for reliable corrosion protection
- Suitable for profiles with slot 10
