

Lenkrolle D125, Vollgummi, Kraft 900 N, Nut 10 - Bosch Rexroth 3842259791

Item no. BRR-3842259791

Manufacturer Bosch Rexroth

Swivel caster with mounting flange and solid rubber wheel, 125 mm diameter, rated for 900 N. The polypropylene rims and galvanized sheet steel housing ensure durability. Suited to mobile racks and workstation systems in the slot 10 profile system.

TECHNICAL DATA

Weight	1.072 kg
Zolltarifnummer	83022000

DESCRIPTION

The D125 F caster is a swivel wheel with mounting flange for building mobile racks, trolleys and workstation systems in the Bosch Rexroth slot 10 profile system. The solid rubber wheel runs quietly and needs no maintenance, while the mounting flange allows direct attachment to the profile.

- Solid rubber wheel for quiet, maintenance-free running
- Load capacity up to 900 N per caster
- Galvanized sheet steel housing for lasting stability
- Compatible with the slot 10 profile system

TECHNICAL DATA
