

Schutzkasten SK2/B 240x400, Aluminium eloxiert/PA 66 - Bosch Rexroth

3842338766

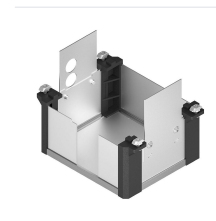

Item no. BRR-3842338766 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842338766

The SK2/B 240x400 protective box is a cover and housing element for the lift-transverse units of the TS 2plus transfer system. It shields the internal mechanism of the transverse transport against contamination and accidental contact. The black anodized aluminum and PA 66 build matches the system design.

DESCRIPTION

The SK2/B 240x400 protective box is a cover and housing element for the lift-transverse units of the TS 2plus transfer system from Bosch Rexroth. It shields the internal mechanism of the transverse transport against contamination and accidental contact, supporting users who maintain or extend existing TS 2plus lines.

- Housing made of anodized aluminum with PA 66 components
- Black finish matching the TS 2plus system design
- Defined size 240 x 400 for the lift-transverse unit components
