

Bausatz Stellungsabfrage für Positioniereinheit PE 2 - Bosch Rexroth 3842562482

Item no. BRR-3842562482

Manufacturer Bosch Rexroth

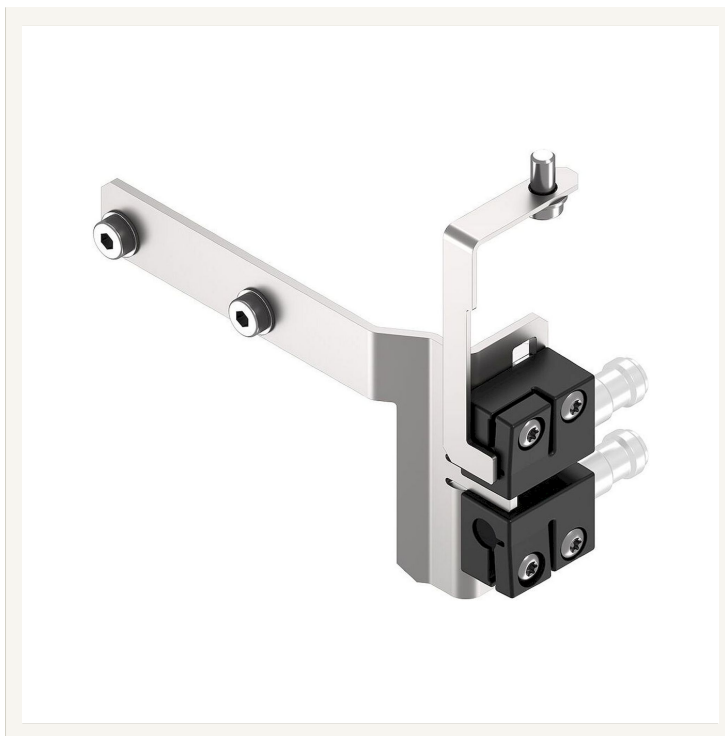

This kit equips the PE 2 positioning unit for position sensing. Flush installation with a defined sensing range allows mounting and sensor replacement without adjustment. The sensor is changed quickly by loosening a separate clamping screw, while the switch bracket stays in position.

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Italy**

Weight **0.0099 kg**

Zolltarifnummer **84313900**

DESCRIPTION

The position sensing kit equips the Bosch Rexroth PE 2 positioning unit for reliable position detection. It is intended for machine builders and maintenance teams that need end-position monitoring of the PE 2.

- Flush installation with a defined sensing range, so mounting and sensor replacement need no adjustment
- Quick, simple sensor change by loosening a separate clamping screw, while the switch bracket stays in position

TECHNICAL DATA

Article number 3842562482

Application Position sensing for PE 2 positioning unit

Required accessories PE 2 positioning unit, sensor M12 with rated sensing range SN = 4 mm

Weight 0.17 kg
