

Elastic-Schleifmittel für eloxierte Oberflächen, Siliciumcarbid - Bosch Rexroth 3842518650

Item no. BRR-3842518650

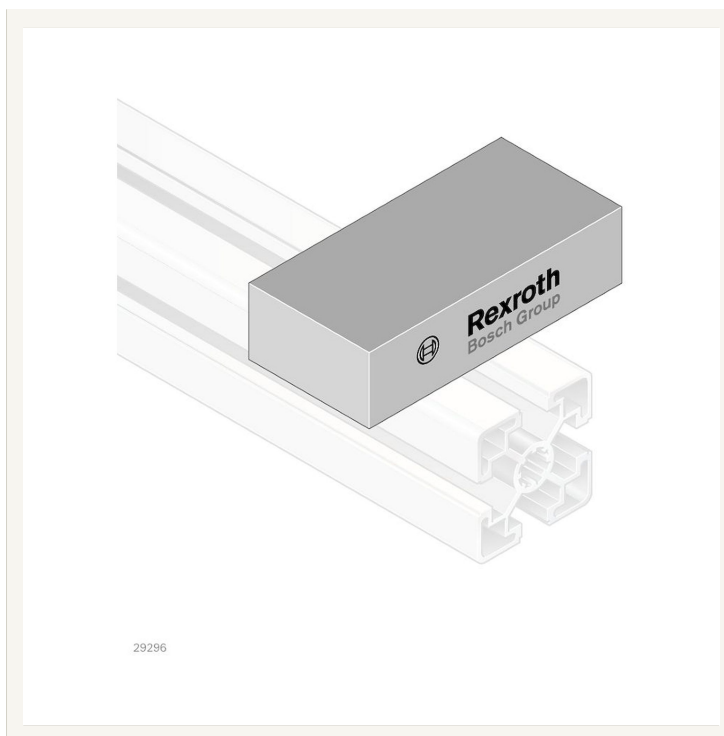

Manufacturer Bosch Rexroth

Handy grindstone for removing light soiling and minor scratches from anodized surfaces. The flexible base material renews itself continually like an eraser, giving it a long service life. Suitable for all natural-colored anodized surfaces such as aluminum windows and doors.

TECHNICAL DATA

Country of Manufacture **Germany**

Weight **0.13 kg**

Zolltarifnummer **68042290**

DESCRIPTION

The Bosch Rexroth Elastic flexible grinder is a handy grindstone for removing light soiling and minor scratches from anodized surfaces. The flexible base material contains abrasive agents and is suitable for all natural-colored anodized surfaces, for example aluminum windows and doors.

- Removes light soiling and minor scratches
- Long service life thanks to automatic, continual surface renewal, like an eraser
- Handy shape for precise application by hand

TECHNICAL DATA

Material Silicon carbide 60 %, polyurethane 40 %
