

Federzug 0,4-1 kg, Seilauszug 1600 mm - Bosch Rexroth 3842520053

Item no. BRR-3842520053

Manufacturer Bosch Rexroth

This spring balancer offloads the weight of hand tools at the manual assembly workstation and keeps them within reach. It balances tool weights from 0.4 to 1.0 kg and retracts the tool automatically after use. A safety wire is included in the scope of delivery.

TECHNICAL DATA

Country of Manufacture **Italy**

Weight **0.672 kg**

Zolltarifnummer **84289090**

DESCRIPTION

This spring balancer offloads the weight of hand tools at the manual assembly workstation and keeps them ready to hand above the work surface. After use it retracts the tool automatically to its starting position, supporting an orderly and low-fatigue workflow.

- Weight balancing for tools from 0.4 to 1.0 kg
- Cable travel up to 1600 mm
- Includes safety wire to prevent the tool from dropping
- For tool and parts provision on Bosch Rexroth workstation systems
