

Klemmhebel GN300-63, M8 x 16, Zinkdruckguss schwarz - Bosch Rexroth 3842522124

Item no. BRR-3842522124

Manufacturer Bosch Rexroth

Clamping lever GN300-63 with M8 threaded stud for tool-free clamping and releasing of connections. The lever can be lifted and repositioned freely, which helps in tight spots on profile assemblies and fixtures. Black coated diecast zinc body with galvanized steel parts.

TECHNICAL DATA

Country of Manufacture	Germany
Length	16 mm
Weight	0.085 kg
Zolltarifnummer	73181595

DESCRIPTION

The Bosch Rexroth GN300-63 clamping lever provides fast clamping and releasing of connections on aluminium profile assemblies and fixtures. The lever is adjusted without tools: by lifting and resetting it, it can be positioned freely even where space is limited.

- Tool-free lever adjustment by lifting and repositioning
- Galvanized steel parts, strength class 5.8
- Robust diecast zinc body with black plastic coating
