

Bausatz Systemtür EcoSafe B750, Schutzrahmen 750 x 1800 mm - Bosch Rexroth 3842523165

Item no. BRR-3842523165

Manufacturer Bosch Rexroth

Kit for building an EcoSafe system door in the modular dimension system. A finished protective frame serves as the door leaf and can open to the left or right. The matching protective frame is required separately.

TECHNICAL DATA

Country of Manufacture **Germany**

Weight **3.342 kg**

Zolltarifnummer **76101000**

DESCRIPTION

The system door kit B750 is used to construct an EcoSafe system door within the modular dimension system. A finished protective frame serves as the door leaf and can open to the left or right. It suits designers and maintenance teams who equip guarded areas and safety fencing with walk-through access.

- Builds a system door in the modular dimension system
- Uses a finished protective frame as the door leaf
- Opens to the left or right, installed by a single fitter
