

Nutensteinprofil Nut 6, Stahl nichtrostend, L=1000 mm - Bosch Rexroth 3842523438

Item no. BRR-3842523438

Manufacturer Bosch Rexroth

Continuous T-slot bar in stainless steel for profile slot 6. Cut it to the required length to produce sliding blocks that can be fitted after assembly. Requires the matching spring for secure positioning in aluminium profiles.

TECHNICAL DATA

Weight	0.266 kg
Zolltarifnummer	72224050

DESCRIPTION

The Bosch Rexroth T-slot bar 6 is a 1000 mm length of stainless steel profile bar from which precise sliding blocks for profile slot 6 can be cut to size. It is intended for designers and fitters who need to add connecting or mounting elements to aluminium profile systems after assembly.

- Cut to the individual length required
- Stainless steel for use in demanding environments
- Inserts into the slot without dismantling the profiles
- Requires the matching spring for secure positioning
