

# Bausatz Schiebetür mit Überbau B1500, EcoSafe Schutzrahmen - Bosch Rexroth 3842524164

Item no. BRR-3842524164

Manufacturer Bosch Rexroth

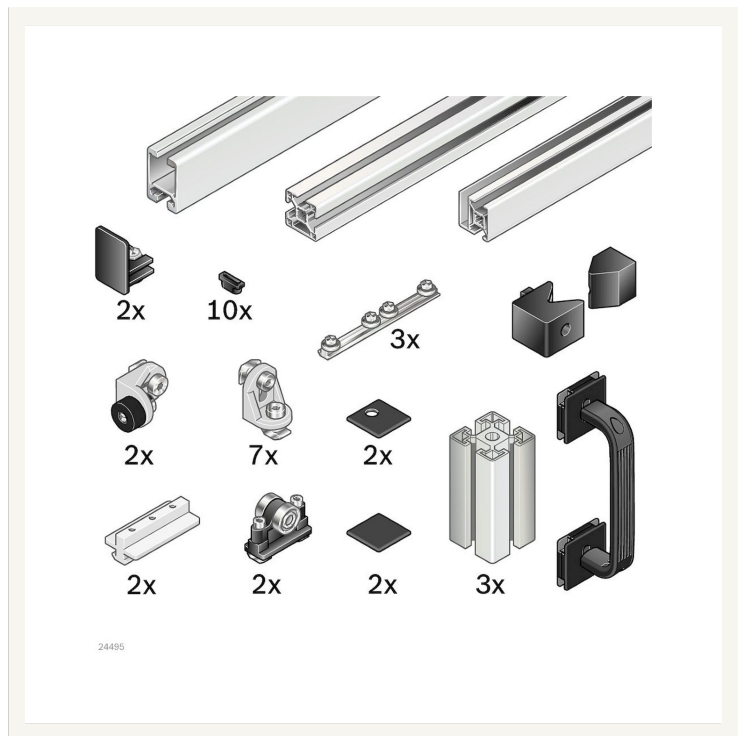

Assembly kit for building an EcoSafe sliding door with superstructure in the modular dimension system. A finished protective frame becomes a door that opens to the left or right. Ball-bearing rollers ensure smooth running and the kit installs easily into an existing protective fence.

## TECHNICAL DATA

Country of Manufacture **Germany**

Weight **10 kg**

Zolltarifnummer **76101000**

## DESCRIPTION

The sliding door assembly kit with superstructure is used to build an EcoSafe sliding door in the Bosch Rexroth modular dimension system. It is intended for machine builders and maintenance teams who want to use a finished protective frame as a moving door and add it later to an existing protective fence.

- Use of a finished protective frame as a door
- Rollers with ball bearings for smooth running
- Suitable for doors that open to the left or right
- Easy subsequent installation in a protective fence

Required components: sliding door kit with superstructure and a matching protective frame.

## TECHNICAL DATA

**Width of protective frame [B]** 1500 mm

**Height of protective frame [HR]** 1800 mm

### Scope of delivery
