Zolltarifnummer **94039910**

DESCRIPTION

The double door assembly kit B2000 is used to build an EcoSafe double door in the Bosch Rexroth modular dimension system. It is intended for designers and fitters of protective fencing who need a walk-through access point with two door leaves.

- Use of finished protective frames as a door
- Easy subsequent installation in an existing protective fence
- Optional fitting of a standard lock cylinder in the lock mechanism
- Required: the kit and two protective frames

TECHNICAL DATA
