DESCRIPTION

The SG-180 grab container base is a fully assembled support base for holding grab containers in Bosch Rexroth manual production systems. It gives containers a secure, stable footing at assembly and order-picking stations and supports ergonomic parts presentation.

- Fully pre-assembled unit, ready to use
- Sturdy sheet steel construction
- Powder coating in light gray (RAL 7035), matching the Bosch Rexroth workstation system
- Organized supply of small parts directly at the workstation
