

Rollensatz 17x14 für SF-Profil, Biegewerkzeug Seitenführung VarioFlow plus - Bosch Rexroth 3842529236

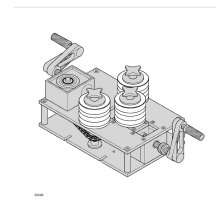

Item no. BRR-3842529236 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842529236

Roller set 17x14 used as a tool component for the side-guide bending tool (SF-profile) in the VarioFlow plus chain conveyor system. The rollers guide and shape the side-guide profile during bending to produce a consistent contour. Suitable as a replacement or supplementary set for assembly technology tooling.

DESCRIPTION

The 17x14 roller set is a tool component for the side-guide bending tool (SF-profile) in the Bosch Rexroth VarioFlow plus chain conveyor system. The rollers guide and form the side-guide profile during the bending process to achieve a consistent contour. The set serves as a replacement or supplementary part for tooling in assembly technology.

- Tool component for bending side-guide profiles (SF-profile)
- Roller size 17x14
- For the VarioFlow plus chain conveyor system

Technical data

Type Roller set
Profile SF (side guide)
Roller size 17x14
Weight 0.557 kg
