

Nutenstein N10, einschwenkbar, Stahl verzinkt, L=1000 mm - Bosch Rexroth 3842529325

Item no. BRR-3842529325

Manufacturer Bosch Rexroth

Swivel-in T-slot nut for profile slot 10 in galvanized steel, supplied as a 1000 mm length for cutting to size. It swivels into the profile slot from the side, allowing fasteners to be added afterwards without disassembling the frame. Suited to load-bearing connections with high groove retention.

TECHNICAL DATA

Country of Manufacture **Germany**

Weight **0.45 kg**

Zolltarifnummer **72166900**

DESCRIPTION

The N10 T-slot nut is a swivel-in connecting element for aluminium profiles with profile slot 10 from the Bosch Rexroth assembly technology range. It is supplied as a 1000 mm length and cut to the size required. Because it swivels in from the side, attachments can be fitted to already-assembled frames without taking them apart.

- Swivel-in design - mounting without dismantling the profile assembly
- Galvanized steel for high load capacity and corrosion protection
- High groove retention up to 18000 N for load-bearing connections
- Continuous length for cutting to individual size

TECHNICAL DATA

Profile slot	10
Swivel-in	yes
Length l	1000 mm
Dimension h	5.3 mm
Dimension h1	1.5 mm
Min. groove retention Fmin	8000 N
Max. groove retention Fmax	18000 N

Material	Steel, galvanized
Weight	0.45 kg
Packaging unit	1
