Weight 0.1 kg

Zolltarifnummer 82055980

### DESCRIPTION

This tool kit is used to bond and splice conveyor belts in the Bosch Rexroth TS 1 transfer system. It is intended for maintenance and assembly teams and supports a clean, pretensioned belt joint directly at the line.

- Complete equipment for the entire bonding process in a single set
- Defined pretension via the pretensioning equipment
- Temperature control of the heating press using the supplied thermometer
- Expandable: with a second heating press, two adjacent belts can be bonded at the same time

### TECHNICAL DATA

Transfer system TS 1

Scope of delivery Skiving device, heating press, pretensioning equipment, thermometer, sanding belt, brush

Recommended accessories Second heating press for bonding two adjacent belts at the same time

Weight 16.455 kg
