

Hammermutter 8, ESD, Edelstahl, Gewinde M5 - Bosch Rexroth 3842536601

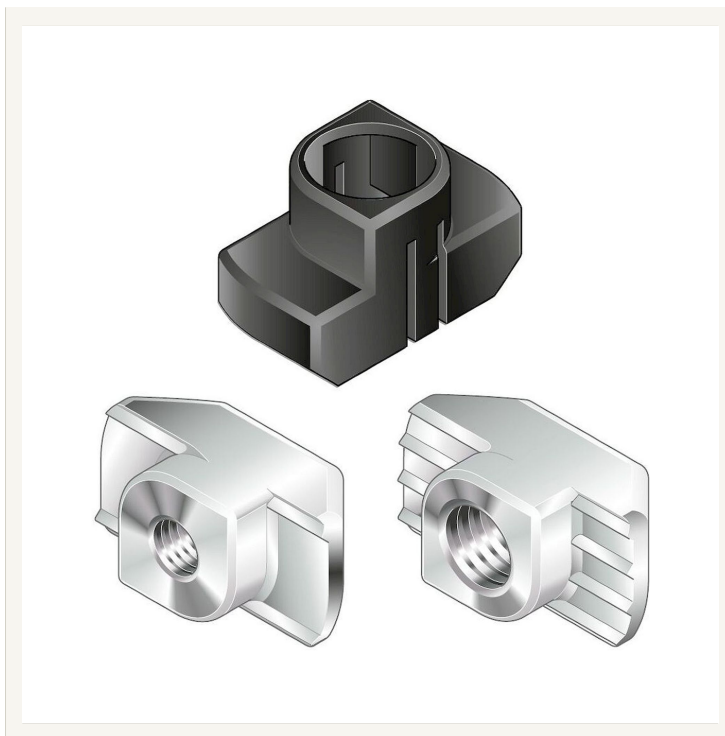

Item no. BRR-3842536601

Manufacturer Bosch Rexroth

Stainless steel T-nut for profile slot 8 with an M5 thread. It can be inserted into the slot and locked in place by a quarter turn after assembly. The ESD-capable design suits the attachment of conductive components to the profile.

TECHNICAL DATA

Ausführungsklasse	ESD (antistatic)
Country of Manufacture	China
Weight	0.004 kg
Zolltarifnummer	73181639

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The Bosch Rexroth T-nut 8 M5 is a fastening element for profile construction in slot size 8. It is placed into the profile slot and locked by a quarter turn, allowing components to be added to an already assembled profile without disassembly. The stainless steel version is ESD-capable and suited to applications with electrostatic requirements.

- Retrofit mounting without dismantling the profile
- Stainless steel, corrosion resistant and ESD-capable
- High groove retention force for secure connections

TECHNICAL DATA

Profile slot	8
Thread size	M5
Material	Stainless steel
ESD	yes
Groove retention [Fmax]	4000 N
