

Fußplatte Edelstahl D29, ESD, Profilnut 8/10 - Bosch Rexroth 3842536694

Item no. BRR-3842536694

Manufacturer Bosch Rexroth

Stainless steel base plate for the modular leveling feet system. It connects to the spindle through the central threaded hole and fixes to the floor via the screw hole. Suitable for ESD applications and for profiles with slot 8 and 10.

TECHNICAL DATA

Ausführungsklasse	ESD (antistatic)
Country of Manufacture	Germany
Weight	0.059 kg
Zolltarifnummer	73269098

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The stainless steel base plate is part of the modular leveling feet system from Bosch Rexroth and serves as the floor-side support for height-adjustable spindles. It connects to the spindle through the central threaded hole, while the screw hole allows a firm fixing to the floor. It is suited to ESD-compliant workstations and to profiles with slot 8 and 10.

- Modular system, spindles and base plates freely combinable
- Compensates floor irregularities up to 10 degrees together with the spindle
- Screw hole for simple fixing to the floor
- Corrosion-resistant stainless steel, ESD-capable

TECHNICAL DATA

Material	Stainless steel
Diameter D	29 mm
Force F	20000 N
ESD	yes

Profile slot	8; 10
Packaging unit	20 pcs
Weight	0.059 kg
