

Rolle EcoFlow KS 600, Kunststoff, Länge 525 mm - Bosch Rexroth 3842537164

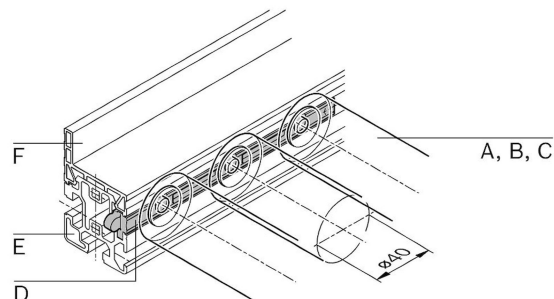

Item no. BRR-3842537164

Manufacturer Bosch Rexroth

The EcoFlow KS 600 idle roller is a plastic carrying element for roller conveyors in manual production systems. It supports loads up to 150 N and moves workpiece pallets without its own drive. The 525 mm roller length matches the KS 600 track width.

TECHNICAL DATA

Colour	Grey
Weight	0.23 kg
Zolltarifnummer	84313900

DESCRIPTION

The EcoFlow KS 600 idle roller is a single component for linking manual production systems from Bosch Rexroth. It carries workpiece pallets and containers on the roller conveyor and enables smooth, non-driven transport.

- Plastic roller body, corrosion-free and low-maintenance
- Load capacity up to 150 N per roller
- Roller length of 525 mm matched to the KS 600 track width

TECHNICAL DATA

Color	Gray
Material	Plastic
Force (Fmax)	150 N
Roller length (EL)	525 mm
Weight	0.23 kg
