

Gleitschiene SF außen, PVC, L=3000 mm - Bosch Rexroth 3842537806

Item no. BRR-3842537806

Manufacturer Bosch Rexroth

The SF outer slide rail is a PVC profile for manual lean conveyor systems. It provides a low-friction sliding surface for moving containers and mounts on the outer side of the conveyor track. Supplied as a single rod 3000 mm long.

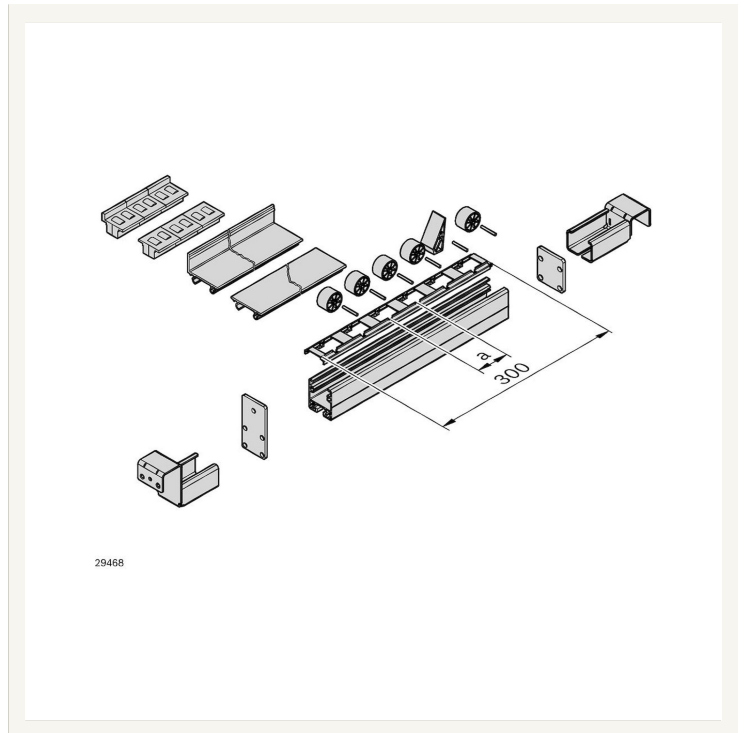

TECHNICAL DATA

Country of Manufacture **Germany**

Length **3000 mm**

Weight **0.735 kg**

Zolltarifnummer **39269097**

DESCRIPTION

The SF outer slide rail is a plastic profile for manual lean conveyor systems in production and assembly lines. It forms a low-friction sliding surface and guides containers reliably along the conveyor track.

- Low-friction PVC sliding surface for manual container transport
- For mounting on the outer side of the conveyor track
- Supplied as a single rod in standard length 3000 mm
