

Rolle D32 ESD, grün, PA - Bosch Rexroth 3842537958

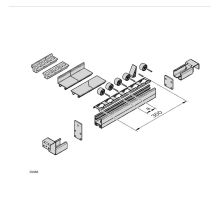

Item no. BRR-3842537958 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842537958

Conductive idle roller in polyamide with a 32 mm diameter for lean conveyor tracks. The green ESD version dissipates electrostatic charges and protects sensitive components. It supports a maximum force of 120 N and serves as the rolling element in flow racks and gravity tracks.

TECHNICAL DATA

Article authenticity	Original product
Colour	Green
Condition of article	New
Country of Manufacture	Germany
ESD-Ausführung	ESD (antistatic)
Weight	0.01166 kg
Zolltarifnummer	39174000

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The idle roller D32 ESD in green is a conductive polyamide carrying roller for the lean conveyor systems from Bosch Rexroth. It is used in flow racks, gravity tracks and manual production systems where bins and workpiece carriers move by gravity.

- Conductive ESD version protecting electrostatically sensitive components
- 32 mm diameter for use in lean conveyor tracks
- Rated for up to 120 N maximum force
- Durable polyamide (PA) material, low maintenance

Technical data

ESD yes

Color Green
Material PA
Force [Fmax] 120 N
Weight 0.01166 kg
Packaging unit 100
