

Fußplatte D44, Zinkdruckguss schwarz, Nut 8 und 10 - Bosch Rexroth 3842538676

Item no. BRR-3842538676

Manufacturer Bosch Rexroth

Base plate in powder-coated diecast zinc that supports leveling feet in the Bosch Rexroth profile system. A central hole lets you bolt it directly to the floor while transferring loads up to 30000 N. Suitable for profile slots 8 and 10.

TECHNICAL DATA

Colour	Black
Country of Manufacture	Turkey
Weight	0.089 kg
Zolltarifnummer	79070000

DESCRIPTION

The D44 diecast zinc base plate is the lower support element for leveling and articulated feet in the Bosch Rexroth aluminium profile system. It spreads the load of the foot onto the floor and is intended for designers and fitters who need to align profile assemblies securely and fix them to the ground.

- High load capacity up to 30000 N
- Diecast zinc, powder-coated black for corrosion protection
- Central hole for simple bolting directly to the floor
- Suitable for profile slots 8 and 10
