Country of Manufacture	Italy
Weight	0.014 kg
Zolltarifnummer	94039910

DESCRIPTION

The polyamide (PA) base plate is part of the Bosch Rexroth modular leveling foot system and serves as the floor-side support for leveling and adjustable feet. It is suited to building machine frames and profile structures.

- Modular system - spindles and base plates can be combined as desired
- Screw hole for simple fixing to the floor
- Compensates floor irregularities up to 10 degrees together with the spindle
- Suitable for profile slot 8 and 10
