DESCRIPTION

The 70°, 75/100 swivel mounting holds a TFT monitor at manual workstations within the Bosch Rexroth assembly technology system. Combined with the supplied supporting arm, it creates an ergonomic, space-saving monitor holder directly on the workstation profile.

- Complete with supporting arm made from 45x45L profile and DesignLINE joints
- Fastening kit for the 10 mm slot included
- Delivered as individual components for flexible on-site assembly
