

Fußplatte ESD, Stahl verzinkt 40x80, Nut 10 - Bosch Rexroth 3842542668

Item no. BRR-3842542668

Manufacturer Bosch Rexroth

Base plate in galvanized steel 40x80 with ESD properties for a safe and conductive connection to the floor. It is used to build supports for partition walls and protective walls. No profile finishing is required.

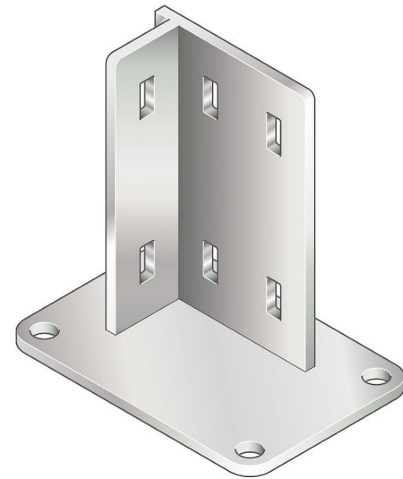

TECHNICAL DATA

Ausführungsklasse **ESD (antistatic)**

Country of Manufacture **Germany**

Weight **1.29 kg**

Zolltarifnummer **94039910**

21856

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The 40x80 galvanized steel base plate forms the foundation when building supports for partition and protective walls in the slot 10 profile system. Its ESD design provides a safe and conductive connection to the floor, making it suitable for designers of protective enclosures and workstations.

- ESD-capable for a safe and conductive connection
- Galvanized steel for corrosion protection and load capacity
- No profile finishing required
- Anchored to the floor using a floor dowel and washer
