STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The detachable AL 30/20 hinge in left-hand version connects aluminum profiles of size 20 (slot 6) and size 30 (slot 8) and allows doors and flaps to be lifted off without tools. It suits fixture and protective enclosure construction in electrostatically protected areas.

- Detachable design for fast assembly and maintenance
- ESD-capable for use in EPA zones
- Robust painted diecast aluminum
- Supplied complete with fastening material
