DESCRIPTION

The Bosch Rexroth AL 45/45 hinge provides a movable connection for doors and flaps on 45x45 aluminum profiles with slot 10. Designed for the right-hand side, its detachable lift-off design lets the door be removed without tools, simplifying assembly and maintenance.

- Detachable lift-off design for quick door removal
- ESD-capable for applications requiring electrostatic discharge protection
- Rated up to 300 N maximum force
- Includes complete fastening material
