ESD safe

DESCRIPTION

The Bosch Rexroth AL 40/40 detachable hinge connects doors and flaps to series 40 aluminum profiles and lets the door be lifted off without tools for maintenance and cleaning. It is intended for designers and assembly technicians in machine and fixture construction.

- Detachable design for quick, tool-free door removal
- ESD-capable to dissipate electrostatic charges
- Right-hand mounting, load capacity up to 300 N
- Complete fastening material for slot 10 included
