## STANDARDS & COMPLIANCE

**ESD safe**

## DESCRIPTION

The AL 30/20 hinge from Bosch Rexroth joins size 20 (slot 6) aluminum profiles to size 30 (slot 8) profiles and is intended for designers of guard doors, flaps and enclosures in profile construction. The right-hand version is detachable, so mounted doors can be lifted off without tools.

- Detachable design for fast mounting and removal of doors and flaps
- ESD-capable for applications with electrostatic requirements
- Die-cast aluminum, painted - robust and corrosion-resistant
- Supplied complete with fastening material
