DESCRIPTION

The 45/45 sealing strip seals doors wider than 500 mm in aluminium profile constructions. Its elastic lip seal clips into profile slot 10 and covers the door gap for a clean, flush finish. Suited to users who need reliable sealing of enclosures and doors built from the profile system.

- Covers the door gap with a non-transparent, elastic lip seal
- Clips into slot 10 without tools
- Acts as a stop for swing doors with an impact force of 500 N/m
- Designed for flush-closing doors
