DESCRIPTION

This detachable hinge from Bosch Rexroth connects size 30 aluminium profiles (P1) to size 45 and 60 profiles (P2) and is used to build doors and flaps on profile frames. The detachable design lets the mounted part be lifted off without tools.

- Detachable - door or flap quickly removable
- Opening angle up to 180 degrees
- Corrosion-resistant diecast zinc body with signal-grey cover caps
- Fastening material for slot 8 and slot 10 included
