DESCRIPTION

The Bosch Rexroth hinge 45-60/45-60 provides a hinged connection between aluminium profiles and is suited to flaps, doors and moving add-on parts in profile structures. Its detachable design lets you remove the mounted part without loosening the screw connection.

- Detachable design for quick removal
- Opening angle up to 180 degrees
- Suitable for profiles of size 45 and 60 with slot 8 and slot 10
- Corrosion-resistant diecast zinc with signal gray cover caps
