

Spiralschlauch D10, PU blau mit Stahlanschluss - Bosch Rexroth 3842544790

Item no. BRR-3842544790 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842544790

Polyurethane spiral hose with a D10 diameter and steel connections. The coiled shape lets the hose retract on its own after use and keeps the compressed air supply tidy at the workstation. Suited to tool and parts supply at manual workstations.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Germany
Weight	0.3 kg
Zolltarifnummer	39173300

DESCRIPTION

The Bosch Rexroth spiral hose D10 routes compressed air flexibly to the manual workstation and coils back together once released. This keeps the working area clear of loose lines and supports orderly tool and parts supply in manual production systems.

- Hose body made of polyurethane, blue
- Steel connections for a durable joint
- self-retracting coiled shape for tidy workstations
