ESD safe

## DESCRIPTION

This Bosch Rexroth protective cover closes off the section center of the ST 5/XH-FR and ST 5/H-FR conveyor units and shields the transfer area from contamination. It is intended for planners and maintenance staff of assembly and transfer systems.

- Exact fit for track width b=650 mm
- For the roller spacing transition p2/p3=130/195 mm
- Robust design in galvanized steel

Mounting requires 4 spring elements (H) per protective cover.
