DESCRIPTION

The 90+ FLAT chain link is a single link of the flat conveyor chain for the VarioFlow plus chain conveyor system in size 90. It is intended for machine builders and system integrators who service or assemble existing VarioFlow plus conveyor chains.

- POM material for smooth running and good wear resistance
- Material meets the requirements of EU 10/2011 and FDA CFR 21 and is therefore suitable for food contact
- Flat link shape for level support of conveyed goods

A chain pin and jointed bolts are required to connect the links and must be ordered separately.
