DESCRIPTION

The cleated chain link is a component of the cleated chain for the Bosch Rexroth VarioFlow plus chain conveyor system in size 90. The integrated cleat carries workpieces, moves them along the conveyor and enables defined accumulation. The link is intended for system builders and maintenance teams who assemble or replace cleated chains.

- POM material for low friction and high wear resistance
- Cleat function to carry and accumulate workpieces
- Matched to the modular VarioFlow plus system in size 90
