DESCRIPTION

The 160+ Friction conveyor chain is a fully assembled static friction chain for the Bosch Rexroth VarioFlow plus chain conveyor system. The continuous TPE static friction coating on every chain link (dividing number AZ = 1) makes it suitable for conveying products and workpiece pallets on inclined and declined sections.

- Static friction coating on every link for reliable transport on inclines
- Materials meet EU 10/2011 and FDA CFR 21 and are suitable for food contact
- Complete with chain pin and jointed bolts, supplied fully assembled
