

Staurollenkette D11 für VarioFlow plus 120, Länge 2898 mm - Bosch Rexroth 3842546085

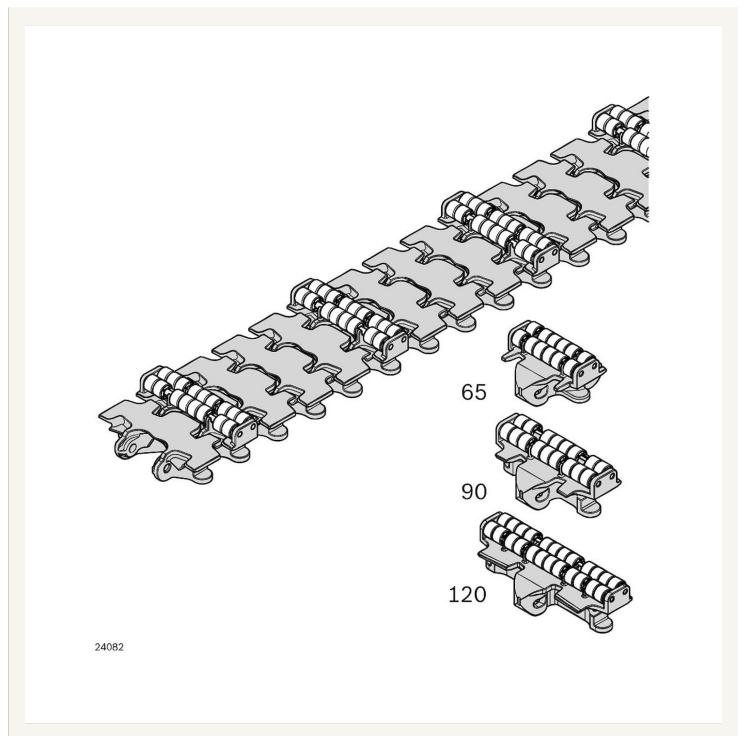

Item no. BRR-3842546085

Manufacturer Bosch Rexroth

Fully assembled accumulation roller chain in size 120 for the VarioFlow plus chain conveyor system. The integrated accumulation rollers allow workpiece pallets to be accumulated while the chain keeps running. The chain ships as a complete unit including chain pin and jointed bolts.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Austria
Weight	12.67 kg
Zolltarifnummer	39269097

DESCRIPTION

The accumulation roller chain D11 is a conveyor chain for the Bosch Rexroth VarioFlow plus chain conveyor system in size 120. It is intended for machine builders and maintenance teams who are setting up an accumulation section or replacing an existing chain.

- Integrated accumulation rollers for accumulation operation, so workpiece pallets can be backed up while the chain keeps running without mutual pressure
- Delivered fully assembled, including chain pin and jointed bolts, for fast installation
- Chain links and rollers made of POM, chain pin made of non-rusting steel 1.4301
