**ESD safe**

## DESCRIPTION

The Chain Plate 320+ Friction is a component of the accumulating (static friction) chain for the Bosch Rexroth VarioFlow plus chain conveyor system. It is intended for maintenance teams and system integrators servicing or extending existing conveyor lines. The friction surface enables secure driven transport and controlled accumulation of workpieces and products.

- Friction plate surface for secure transport and defined accumulation
- Exact fit for the conveyor chain of size 320
- Wear and spare part for the upkeep of VarioFlow plus systems
