

Querverbinder 160+, Edelstahl 1.4301, VarioFlow plus STS - Bosch Rexroth 3842546687

Item no. BRR-3842546687 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842546687

The cross-connector joins the conveyor track sections of the VarioFlow plus stainless steel system (STS) in size 160 transversally. Made of non-rusting steel 1.4301 for environments with elevated hygiene and corrosion requirements. Supplied not assembled in a packaging unit of 10.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Germany
ESD-Ausführung	TEC
Weight	0.25 kg
Zolltarifnummer	84313900

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The cross-connector 160+ joins the track sections of the VarioFlow plus stainless steel system (STS) in size 160 transversally and ensures a stable, aligned conveyor run. It is intended for building chain conveyor systems in environments with elevated hygiene and corrosion requirements.

- Non-rusting steel 1.4301 for high corrosion resistance
- Matched to the size 160 track profiles of the stainless steel system
- Supplied not assembled, packaging unit of 10
