

Unterlegscheibe VFplus, Federstahl nichtrostend, 1 mm - Bosch Rexroth 3842546717

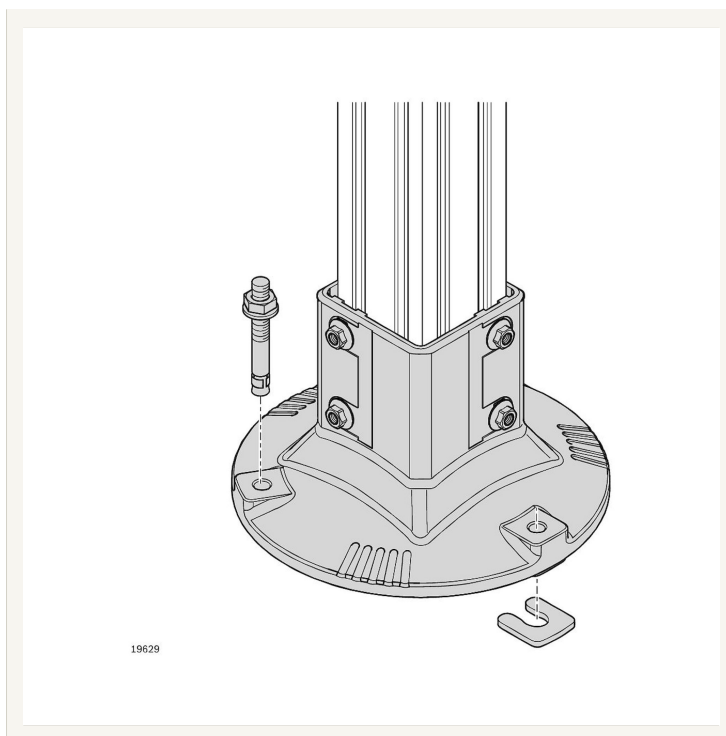

Item no. BRR-3842546717

Manufacturer Bosch Rexroth

Plain washer in stainless spring steel for height adjustment of the line supports in the VarioFlow plus aluminium system. Material thickness of 1 mm allows fine height stepping and it suits sizes 65, 90 and 120 mm. Supplied in a packaging unit of 100 pieces.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.00466 kg
Zolltarifnummer	73182200

DESCRIPTION

The VFplus plain washer is an adjustment element for the line supports of the Bosch Rexroth VarioFlow plus aluminium system. It is used for height compensation and precise alignment of the supports when building chain conveyor systems.

- Made of stainless spring steel for corrosion resistance
- Low material thickness of 1 mm for fine height adjustment
- Suitable for sizes 65, 90 and 120 mm
- Supplied in a packaging unit of 100 pieces
