ESD safe

DESCRIPTION

The Bosch Rexroth bucket tray insert provides orderly staging of small parts and tools at manual workstations and within production systems. The oval cup shape, coded D91-OVAL53-L100, keeps bulk items and individual components within reach. It is intended for users who need a dissipative holder at ESD workplaces.

- Dissipative (ESD) to protect electrostatically sensitive components
- Durable polyamide PA 6 in black
- Oval cup shape for easy removal of small parts
- Low weight for flexible placement at the workstation
