

Horizontal curve VarioFlow plus 120, 30°, R700, Aluminium - Bosch Rexroth 3842547080

Item no. BRR-3842547080

Manufacturer Bosch Rexroth

Horizontal sliding curve for the VarioFlow plus chain conveyor system in the aluminum design, size 120. It redirects the conveyor line by 30° at a curve radius of R700. Supplied fully assembled and mounted directly to the AL section profile with the included fastening material.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	1.75 kg
Zolltarifnummer	76109090

24050

DESCRIPTION

The horizontal curve provides a sideways change of direction for the conveyor line within the VarioFlow plus chain conveyor system. It is designed for the aluminum version in size 120 and redirects the line by 30° at a curve radius of R700.

The curve is supplied pre-assembled and mounts directly to the AL section profile using the included fastening material. It is intended for planners and maintenance teams routing VarioFlow plus conveyor lines around horizontal bends.

- 30° deflection at radius R700
- Supplied fully assembled, including fastening material
- Anodized aluminum profile with corrosion-protected connectors

TECHNICAL DATA

Size [b]	120 mm
Deflection angle	30°
Curve radius	R700 (700 mm)
Dimension [A]	255.7 mm
Actual chain length	2x 0.56 m
Effective sliding rail length	4x 0.56 m

Profile	Aluminum, anodized
Profile connector	Steel, galvanized
Cross connector	Diecast aluminum
Delivery state	Fully assembled
Scope of delivery	Incl. fastening material for mounting to the AL section profile
Required accessories	Slide rail (length calculation)
Weight	1.75 kg
