

Wippe VarioFlow plus WT, Edelstahl 1.4301/PA - Bosch Rexroth 3842547464

Item no. BRR-3842547464

Manufacturer Bosch Rexroth

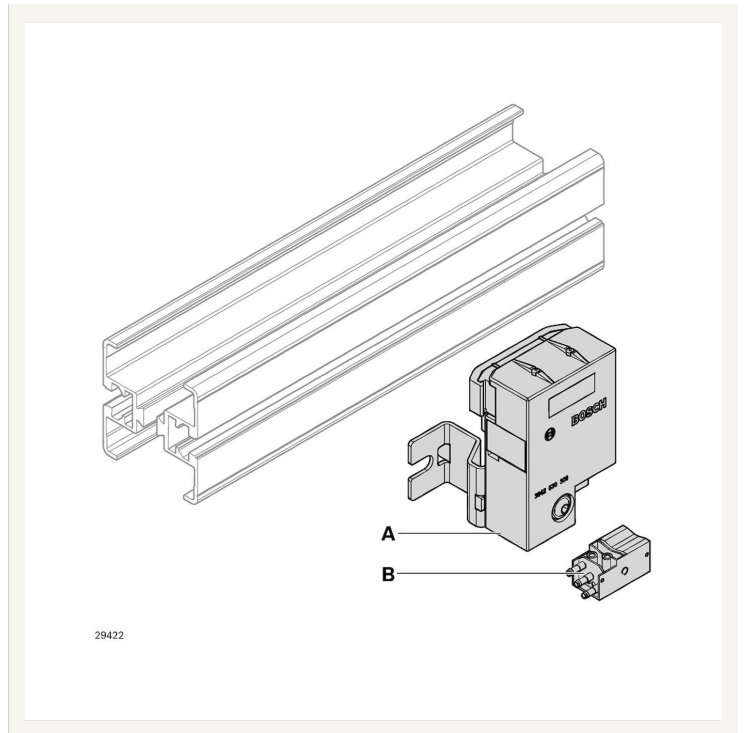

Mechanical rocker for the workpiece carrier system of the VarioFlow plus chain conveyor. Made of non-rusting steel 1.4301/PA with a 60 mm monitoring range. Combined with a proximity or cylinder switch, it detects workpiece carriers in the material flow.

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Italy**

Weight **193 kg**

Zolltarifnummer **84313900**

DESCRIPTION

The rocker is a mechanical functional element for the workpiece carrier system of the Bosch Rexroth VarioFlow plus chain conveyor. It detects workpiece carriers in the material flow and is intended for machine builders and maintenance teams implementing accumulation or positioning functions along the conveyor line.

- Corrosion-resistant design in non-rusting steel 1.4301/PA
- Monitoring range of 60 mm
- Supplied partially assembled as a set including fastening material
- Compatible with a pneumatic cylinder switch or proximity switch

TECHNICAL DATA

Material Non-rusting steel 1.4301/PA

Monitoring range 60 mm

Scope of delivery Set incl. fastening material

Delivery information Partially assembled

Recommended accessories Pneumatic cylinder switch (3 842 532 151), 12 mm proximity switch, round, switching distance SN > 4 mm

Weight 0.193 kg
