

Nutenstein 10, M6, nichtrostender Stahl, ESD - Bosch Rexroth 3842547812

Item no. BRR-3842547812

Manufacturer Bosch Rexroth

T-slot nut for profile slot 10 with M6 thread, made of stainless steel. The ESD-capable version suits electrostatically protected areas and corrosion-critical environments. Fitted into the slot after assembly, a spring is required as an accessory.

TECHNICAL DATA

Ausführungsklasse	ESD (antistatic)
Country of Manufacture	Germany
Weight	0.019 kg
Zolltarifnummer	73181639

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The T-slot nut 10 M6 from Bosch Rexroth securely connects add-on components to aluminium profiles with slot 10. It is intended for designers and fitters in machine and fixture construction who need an electrostatically dissipative and corrosion-resistant connection.

- stainless steel for high corrosion resistance
- ESD-capable for electrostatically protected areas
- high groove retention from 11000 N to 24000 N

A spring is required as an accessory for mounting in the profile slot.
