## STANDARDS & COMPLIANCE

**ESD safe**

## DESCRIPTION

The D28L cap cover closes the open ends of D28 round tubes in the EcoShape round tube system and gives cut-to-length tube ends a clean, safe finish. It suits the assembly of manual production systems, flow racks and material supply structures.

- Closes open tube ends cleanly and permanently
- Protects the tube interior from dirt and shields sharp cut edges
- Tool-free assembly by simply pushing it on
