Weight	0.00161 kg
Zolltarifnummer	84799070

DESCRIPTION

The D30 cover cap from Bosch Rexroth neatly closes the open face of a cubic connector and protects the joint from dirt and accidental contact. It is intended for users who want to finish aluminium profile structures cleanly and safely.

- Conceals the visible face of the D30 size cubic connector
- Made of polypropylene (PP) in signal gray
- Tool-free assembly by simply pushing it on
