DESCRIPTION

The 3842548711 cover cap fits flush over K45x45 corner brackets, giving assembly frames and workstation structures a clean, finished appearance. Made from PP, the cap is lightweight, dimensionally stable, and resistant to common cleaning agents.

- Precise fit for K45x45 corner brackets - no trimming or modification needed
- Signal gray finish for a consistent look across aluminum profile systems
- PP construction: corrosion-free, impact-resistant, and low weight
- Pack of 10 - cost-effective for larger builds
