Weight	0.0011 kg
Zolltarifnummer	39235090

DESCRIPTION

The 40x10 cover cap in signal gray closes the open face ends of Bosch Rexroth aluminum profiles with a 10x40 mm cross-section. It keeps dirt and swarf out of the profile slot and gives the frame a neat, finished appearance - with no additional machining required.

- PP material - lightweight, corrosion-resistant and flexible enough for a secure press fit
- Profile slot 6 - fits the widely used slot-6 system in the Bosch Rexroth assembly technology range
- 20 mm modular dimension - compatible with the 20 mm base grid of the corresponding profile series
- Signal gray color - matches standard Rexroth structural assemblies
- Packaging unit of 20 pieces - cost-effective stocking for series assembly
